FROM PASTOR D

I don't know about you, but I'm tired of hearing bad news. I'll admit...part of me wants to find my own South Pacific island somewhere and move there...away from it all! But that was never the Lord's intention for His church. To a small band of disciples He said, "You are the light of the world." That must have come as a shock to them, but that was exactly what they became.

They literally turned the Mediterranean world of their day upside down with the Good News. How did they do it? That is the subject of this year's Man Camp. We believe God has brought us here for such a time as this not to shrink back, get mad, or run away. We believe that the Lord is willing to give us all that we need to be

The Church Triumphant and turn this world right-side up! Come join us and be refreshed, encouraged and empowered.

-Pastor Daryl
